MINUTES:

The minutes from the May 4, 2006 meeting were approved as written.

GENERAL DISCUSSION OF
AND ACTION ON THE 2006
IPC AND ALL EXISTING
AMENDMENTS

The committee reviewed the plumbing amendments in R156-56-707 and R156-56-711 and compared them to the 2006 IPC and the 2006 IRC.

Following a discussion on R156-56-707(4) and R156-56-711(6) definition for cross connection, a motion was made to change the previous recommendation and keep the definition in the IPC for cross connection and keep it in the IRC also. The motion passed with a vote of four in favor and Mark Williams voting in opposition.

A motion unanimously passed to recommend keeping current amendments R156-56-711 (7) through (10).

The committee reviewed R156-56-711(25), section P2602.4 sewer required. A motion unanimously passed to recommend that the amendment be modified by deleting the words "Rule R317-501 through R317-513 and Rule R317-5" and replacing it with "Title 317 Chapter 4".

A motion unanimously passed to recommend keeping current amendments R156-56-711 (24), (26), (27), (29), (30), (31), and (33).

Following a discussion on R156-56-707(13), section

305.8 protection against physical damage, a motion unanimously passed to reverse the decision from the last meeting and recommend that the amendment be kept.

Following a discussion on R156-56-707(64), section 1003.3.5 grease trap restriction, a motion unanimously passed to recommend deletion of this amendment.

A motion unanimously passed to recommend that the amendment for Appendix C gray water recycle system be kept.

The meeting adjourned at 2:15.
